

Special NYCDOE QMHS COVID-19 Credit (CR) Policy

Parents, guardians, or students over the age of 18 have the option to convert all final passing grades (grades between 65 and 100) with grades of credit **(CR)**. The CR option will not be averaged into your final grade point average. The CR option does not impact your school average. Parents, guardians, and students over the age of 18 have the final say in this determination; You may choose the CR option for one or all your grades for all classes with a grade of 65 and higher.

Parents, guardians, and students can apply for the CR option anytime until the student graduates or is discharged from the school.

If you would like to opt in to this option for all or a few classes, please complete the form below, sign and date, and send it to your guidance counselor.

If you would like to discuss this option further, please send an email to your child's guidance counselor. Please note that all guidance counselors will be on vacation during the summer months.

We ask that you submit your completed form no later than October 1 of each school year to the child's guidance counselor.
